"My daughter attended the MSU tennis camp and had the best experience! The staff did an excellent job of implementing small groups, collegiate-style drilling, individual instruction combined with competitive match play. Jessie cannot wait to attend next summer." -- Patti Stephen, mother of 11-year-old Jessie

"I was really impressed with the player-to-coach ratio. I felt the video analysis was spot on. Libby really enjoyed the Davis Cup style tournament on the last day. We will do it again." -- Brad Featherson, father of 12-year-old Libby
